July 6, 1934.

## REPORT TO THE PRESIDENT

The PRESIDENT,

*The White House.*

SIR: An application has been duly made pursuant to and in full compliance with the provisions of the National Industrial Recovery Act, for amendments to the Code of Fair Competition for the Food Dish and Pulp and Paper Plate Industry, submitted by the Code Authority for the Food Dish and Pulp and Paper Plate Industry.

The purpose and effect of the amendments are

(a) To authorize the Code Authority to submit a budget and method of assessment upon which funds shall be contributed by members of the Industry and

(b) To add a standard partnership clause.

### FINDINGS

The Deputy Administrator in his final report to me on said amendments to said Code having found as herein set forth and on the basis of all the proceedings in this matter:

I find that:

(a) The amendments to said Code and the Code as amended are well designed to promote the policies and purposes of Title I of the National Industrial Recovery Act including the removal of obstructions to the free flow of interstate and foreign commerce which tend to diminish the amount thereof, and will provide for the general welfare by promoting the organization of industry for the purpose of cooperative action among trade groups, by inducing and maintaining united action of labor and management under adequate governmental sanction and supervision, by eliminating unfair competitive practices, by promoting the fullest possible utilization of the present productive capacity of the industries, by avoiding undue restrictions of production (except as may be temporarily required), by increasing the consumption of industrial and agricultural products through increasing purchasing power, by reducing and relieving unemployment, by improving standards of labor, and by otherwise rehabilitating industry.

(b) The Code as amended complies in all respects with the pertinent provisions of said Title of said Act, including without limitation sub-section (b) of Section 3, sub-section (a) of Section 7 and sub-section (b) of Section 10 thereof.

(c) The amendments and the Code as amended are not designed to and will not permit monopolies or monopolistic practices.

(d) The amendments and the Code as amended are not designed to and will not eliminate or oppress small enterprises and will not operate to discriminate against them.

(e) Those engaged in other steps of the economic process have not been deprived of the right to be heard prior to approval of said amendments.

For these reasons, therefore, I have approved these amendments.

Respectfully,

HUGH S. JOHNSON,  
*Administrator.*

JULY 6, 1934.

## AMENDMENT TO

### CODE OF FAIR COMPETITION FOR THE FOOD DISH AND PULP AND PAPER PLATE INDUSTRY

#### Amend Article II

I. By eliminating therefrom Section 5 and substituting therefor a new Section 5 as follows:

"5. It being found necessary in order to support the administration of this Code and to maintain the standards of fair competition established hereunder and to effectuate the policy of the Act, the Code Authority is authorized:

"(a) To incur such reasonable obligations as are necessary and proper for the foregoing purposes, and to meet such obligations out of funds which may be raised as hereinafter provided and which shall be held in trust for the purposes of the Code;

"(b) To submit to the Administrator for his approval, subject to such notice and opportunity to be heard as he may deem necessary (1) an itemized budget of its estimated expenses for the foregoing purposes, and (2) an equitable basis upon which the funds necessary to support such budget shall be contributed by members of the Industry;

"(c) After such budget and basis of contribution have been approved by the Administrator, to determine and obtain equitable contributions as above set forth, by all members of the Industry, and to that end, if necessary, to institute legal proceedings therefor in its own name.

"(d) Each member of the Industry shall pay his or its equitable contribution to the expenses of the maintenance of the Code Authority, determined as hereinabove provided, and subject to rules and regulations pertaining thereto issued by the Administrator. Only members of the Industry complying with the Code and contributing to the expenses of its administration as hereinabove provided (unless duly exempted from making such contribution), shall be entitled to participate in the selection of members of the Code Authority or to receive the benefits of any of its voluntary activities or to make use of any emblem or insignia of the National Recovery Administration.

"(e) The Code Authority shall neither incur nor pay any obligation in excess of the amount thereof as estimated in its approved budget, except upon approval of the Administrator; and no subsequent budget shall contain any deficiency item for expenditure in excess of prior budget estimates except those which the Administrator shall have so approved."

II. By inserting a new section to be known as Section 8 as follows:

"8. Nothing contained in this Code shall constitute the members of the Code Authority partners for any purpose; nor shall any

member of the Code Authority be liable in any manner to anyone for any act of any other member, officer, agent or employee of the Code Authority; nor shall any member of the Code Authority exercising reasonable diligence in the conduct of his duties hereunder, be liable to anyone for any action or omission to act under this Code, except for his own wilful malfeasance or non-feasance."
